You can not know how little will be the cost of having this best of lights in your own home until you give us an opportunity of figuring it out for you. The estimate will cost you nothing, and the information may be worth much. . . .

Of this we can assure you—our MATCH LESS LIGHT will give better satisfaction than any light you have ever had, and if you ask your friends who use it what it costs and how they like it, we feel certain your name will soon appear upon our books

WE WANT TO TALK TO YOU

WE want to talk earnestly, and with an effort to secure your patronage. We want to show you how we make printing produce profit for our patrons. We believe in ourselves. We believe we possess more knowledge regarding printing than 90 out of every 100 of those engaged in the printing industry. Yes, we believe in ourselves. We have been forced into this belief by the admiration our productions receive from those who buy printing, and the rapidity with which our designs are copied. Through the knowledge we possess regarding the art of printing we are enabled to produce your work in a more skillful manner and with less expense than the average printer. We want to talk to you whenever you are ready. . .

PREFACE.

The City Directory for 1900 contains 80,362 names as follows: individuals, 76,666; firms, 1,964; societies and lodges, 777; institutions, prominent buildings, etc., 375 churches, 170; insurance companies, local and foreign, 126; express companies, 71; building and loan, 40; hotels, 37; parks, 18; convents, etc., 16; railroads, 10; newspapers, 9; cemeteries, 9; miscellaneous, 74.

The increase of names over last year is 1,969, and the increase of individual names is 1,852. Our estimate of the population would, therefore, be 268,331. The figures of the United States census have not been announced, but in round numbers it is probable that they will give the city's population about 248,000, and it is fair to presume that the floating population, could they be found and enumerated, would swell the figures to the amount of our estimate.

In Harrison there are 3,476 names of individuals which would make our estimate of the population 12,166. Kearny has 3,696 names making the estimated population 12,936. East Newark Borough has 777 names, or a population of 2,719.

A. J. CONNOLLY

CONTRACTOR FOR

Artesian Wells and Water Supply

100 SOUTH TENTH STREET, NEWARK

Pumps, Pipes and Fittings at Lowest Prices

Information Furnished on Application

I make a specialty of furnishing a water supply from drilled wells for cities, towns, manufacturing companies, and others using large quantities of water for domestic and other purposes, in all parts of the country; also for sinking oil and gas wells.

I have the most improved method for sinking pipe wells from two to twenty-four inches in diameter, to any depth required; also, the most effective method of pumping water from wells by air pressure.

We also make examination of grounds, and locate subterranean streams for water, oil and gas, by an entirely new discovery.

Test borings made for foundations of buildings, bridges, minerals and salt.

It will be a saving and of great advantage to owners of private residences and factories to have an independent water supply from an artesian well on their own premises, thus preventing water bills.

I use the most approved tools and machinery and employ none but skilled mechanics, thus insuring to my patrons prompt service and entire satisfaction.

If you are interested and desire a reliable water supply, let me hear from you, and I will quote you a low price consistent with good work, as I am prepared to contract for any size well; also for air compressors, wind mills, pumps, etc.

I call attention to the numerous wells that I have sunk throughout this vicinity and in many parts of the country, and have recently finished forty-seven wells (eight and ten inch) for the Elizabethtown Water Company, of Elizabeth, N. J., which now furnishes the city of Elizabeth with a water supply.

Information cheerfully furnished on application.

E. J. HALL  
FAC-SIMILE PRESS

10 CEDAR ST.,

FORK...

Reproducing  
Fac-Simile Copies  
Can Written and  
by Fac-Simile Letters

Name and Address of Person  
to be Written and  
by Fac-Simile Letters

John Hall,

JOHN 1745

NEW YORK, June 1, 1900.

Mr. Reid Itthro,  
211 Rush St.,  
Businessville.

Dear Sir:--

It is a fact demonstrated by a number of leading firms that the system of using personal letters to increase business brings better results than any other method used.

You always read every letter addressed to you. So others will read yours. Send one letter, and I will reproduce any number of fac-simile copies by my patented process (of which this is a sample) so like the original as to defy detection, having individual name and address on each letter. I am also prepared to supply, print and address envelopes or wrappers, as well as letter headings or circulars, to fold, enclose, seal and stamp same; in fact, provide letters complete for mailing, guaranteeing first-class work at reasonable prices.

I have specially compiled lists for the different trades, as well as 65,000 desirable residents of New York and Brooklyn.

Send for samples and particulars,

Yours truly,

E. J. Hall

P.S. I have never had a customer discontinue the use of these letters and would request you to read the opinions of a few of them regarding their use, on other side of page.

## WHAT OTHERS HAVE TO SAY.

"Cannot be distinguished from type-writing."

—A. D. HAZEN, Third Ass't P. M. Gen'l.

"The 'Fac-Simile Letters' you have furnished us have given perfect satisfaction, and have been great labor savers."

—REED & CARRICK, Manufacturing Chemists, 426 & 428 W. B'way, N. Y. City.

"The Fac-Simile letters reached us to-day, and we desire to say that they are all that could be wished in every way."

—THE CHERAPEAKE & POTOMAC TELEPHONE CO. Baltimore, Md.

"The Fac-Simile letters made by you for us, were received this morning, and to say that we are pleased is drawing it too lightly; we are delighted with the way these duplications have been made."

—GARA MCGINLEY & Co., 13 S. 17th St., Phila., Pa.

"The Fac-Simile letters you have gotten out for us have in every case given the best results. We have tried everything in the advertising line and consider your system the best we have ever tried."

—CAMPBELL PRINTING PRESS & MFG. CO., 1 Madison Ave., N. Y. City.

"Our returns have been very satisfactory indeed up to this time, and we have every reason to believe that the investment we made in your scheme will bring us rich rewards."

—WARREN CHEMICAL & MANUFACTURING CO., 81 Fulton Street, New York City.

"We believe such perfect fac-simile work on so large a scale has never been attempted successfully in this or any other country. The results ought to be gratifying to you—as they certainly are to us. The work is an evidence of your ability to turn out high-grade work at reasonable prices and we shall cheerfully recommend your process whenever occasion arises."

—HALL & RUCKLE, Wholesale Druggists, 215 Washington Street, New York City.

"We do not believe in sending the ordinary circulars out as an advertising medium, but do believe in advertising in the way you recommend. \* \* \* Most of the circulars that come to us we throw in the waste basket; but a letter or something that has a close resemblance to a letter, we take the trouble to read, as we did yours."

—AM. HARD FIBRE COMPANY, J. F. Quigley, Pres., Newark, Delaware, U. S. A.

"In reply to your inquiry concerning the Fac-Simile work which you have from time to time done for us, we would say that the same has given us perfect satisfaction. Before sending orders to you, we tried several other fac-simile processes, but we find yours so much superior that you can rest assured future orders for work of this character will be sent to your house."

—JOS. DIXON CRUCIBLE CO., Jersey City, N. J.
